**OVERGROUPS OF UNIPOTENT SUBGROUPS OF GROUPS  
OF LIE TYPE OVER FIELDS**

Received September 22, 2016

**Ya. N. Nuzhin**

We describe the subgroups of a group of Lie type over a field containing its maximal unipotent subgroup. The results are similar to the description of parabolic subgroups of groups with  $(B,N)$ -pair given by J. Tits.

Keywords: group of Lie type over a field, unipotent subgroup, parabolic subgroup.
